A warm thanks to Archbishop Gomez and to all who made the League's 2011 "Off the Fence" Annual Benefit Dinner a success!

In a spirit-filled ballroom, Live Action President, Lila Rose exposed several unknown abuses of Planned Parenthood to young women. Actual video footage was shown from Live Action's Mona Lisa project of adult men involved with under-aged women, whose crimes are being overlooked completely for the sake of profit. By advocating for the rights of the unborn, Live Action is opening the public's eyes to increase understanding of these young girls' rights.

Many of our 400 guests were grateful to hear Lila speak for the first time, and know more than ever the need to counter Planned Parenthood with Life-centered care.

We offer our heartfelt thanks to all our donors: past, present and upcoming who enable us to counter-act the abuses of Planned Parenthood with life affirming services.

*Executive Director, Anne Hennessy, with Board President, Kathleen Lund, Live Action President, Lila Rose, and His Excellency Archbishop Jose Gomez*

Thanks to your generosity, we will be able to continue to assist our pregnancy counseling centers in offering these women the caring support and resources that they most need, including ultrasounds, maternity homes, adoption services and post-abortion healing.

Indeed, the League knows that these women are as precious as the babies they hold within. Your support allows us to stand as a true advocate for them against organizations that care neither about their past nor future welfare.

We thank the Lord for all the work that He is doing through us and for you who make His work possible!

## ELEV8: IT'S TIME TO GET LIFTED

Thanks to the dynamic speakers of our new teen integrity program, *ELEV8*, young people across the nation will be given a chance to hear a message of self-worth and redemption that is “real, relevant and relatable”. This program grew out of the League’s Sex, Love and Choices teen abstinence program and is now formally launched as *ELEV8*.

Through their SECOND CHANCE curriculum, *ELEV8* uses interactive presentations to illustrate teen integrity principles and apply them to everyday scenarios. Different programs will be offered for middle school and high school students and another for parents as well. With the launch of this new program, young people will be given the chance to realize their worth early on and live out the life that the Lord intends for them!

“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.”

Jeremiah 29:11
